**Re: *Ex Parte Presentation* in MB Docket No. 10-91; CS Docket No. 97-80; PP Docket No. 00-67**

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network L.L.C. ("DISH") and EchoStar Technologies L.L.C. ("EchoStar") submit this letter summarizing a meeting on Thursday, July 8 with Paul de Sa, Chief of the Office of Strategic Planning and Policy Analysis, and Bill Lake, Chief of the Media Bureau. In attendance from DISH and EchoStar were myself, Jeffrey Blum, SVP & Deputy General Counsel, Dave Kummer, SVP of Engineering, and Alexander Constantine, Government Affairs Analyst.

During the meeting, we offered a demonstration of the Google TV set-top box and DISH's ViP 922 SlingLoaded DVR, both of which showcase innovations in video navigation devices already occurring in the market. We expressed our support for maximizing consumer choice in video service and devices, and discussed some of the technological and customer support challenges posed by the Commission's proposed All-Vid concept.

Respectfully submitted,

/s/ Alison Minea
